

Privacy Statement

This statement addresses the collection, use, security of, and access to information that may be obtained through use of the City of Saint Paul's website. By utilizing the websites of the City of Saint Paul visitors are consenting to the data practices described in this statement.

Information Collected

If website visitors browse, read, or download information, the City of Saint Paul automatically collects and stores certain information about the visit for analytic and site-improvement purposes. The type of information collected includes:

- IP address
- browser and operating system version
- date and time of site visit
- web pages or applications browsed
- name of referring website
- search terms used

Use of Personally Identifiable Information

If a visitor chooses to identify themselves by contacting the City of Saint Paul via email, online forms or applications, the information collected is used to appropriately respond to the situation. This may be to:

- Respond directly back
- Participate in a program or computer application
- Add the person to a mailing list or provide future notifications
- Analyze, track, and utilize feedback for improvement
- Address issues identified
- Forward the information to a City of Saint Paul department for appropriate action

Please be advised that visitors' communications with the City of Saint Paul may be considered part of the public record and may be subject to disclosure under Alaska law.

Use of Cookies

The City of Saint Paul's web sites use "cookies". A cookie is a text file stored on your computer by your web browser that distinguishes visitors to a web site. Cookies cannot be used to run programs or deliver viruses to your computer. Cookies are uniquely assigned to you, and can only be read by the web server that issued the cookie to you.

Most web browsers automatically accept cookies, but you can modify your browser setting to decline cookies if you prefer. If you choose to decline cookies, you may not be able to fully experience features of web site services or web sites you visit.

Google Analytics

This website uses Google Analytics to collect and processes data from site visitors, please review relevant materials on Google's [website](#).

Hyperlinks and embedded functionality

Our website may contain links to content or other functionality provided by third parties which are outside our control and are not covered by our privacy statement. We encourage you to read

those providers' privacy statements on their websites. We do not accept any responsibility or liability for these policies.
